# BUSINESS BRIEFING

## SME Governance:

“Time Out” for good decision making

SME Governance, by simple and regular board meetings,  
creates Time-Out from the day-to-day.

Get perspective & clarity, consider options, & with confidence  
make sound and timely decisions.

### SME Governance is for you if:

- You are concerned about business conditions
- You want the business to perform better than it ever has, given the conditions
- You don't want to be caught out by further changes in your market
- Want a better banking relationship
- You are unsure that you're steering the best course
- You are buried in the day-to-day
- You need to innovate and focus on what you're good at

### Benefits of attending:

- Learn what SME governance is
- Learn the benefits of making consistently good business decisions
- And how this leads to increased profits  
(average over 300% by existing clients) and wealth creation
- You will receive 2 FREE decision-making tools to take away
- Get the opportunity to have your own SME board
